

2017 Global Supply Chain Resiliency Council Conference and Awards Gala: Resilience 2017

March 1st – 2nd, 2017

Silicon Valley, CA

Global Supply Chain Resiliency Council

The annual **Global Supply Chain Resiliency Council Conference and Awards Gala** is the premier event in the field of supply chain resiliency, attracting the world's foremost leaders and experts as speakers. It is an important avenue for learning from the companies innovating and leading in the field as well as academic experts who have devoted many decades to advancement and innovation in the discipline.

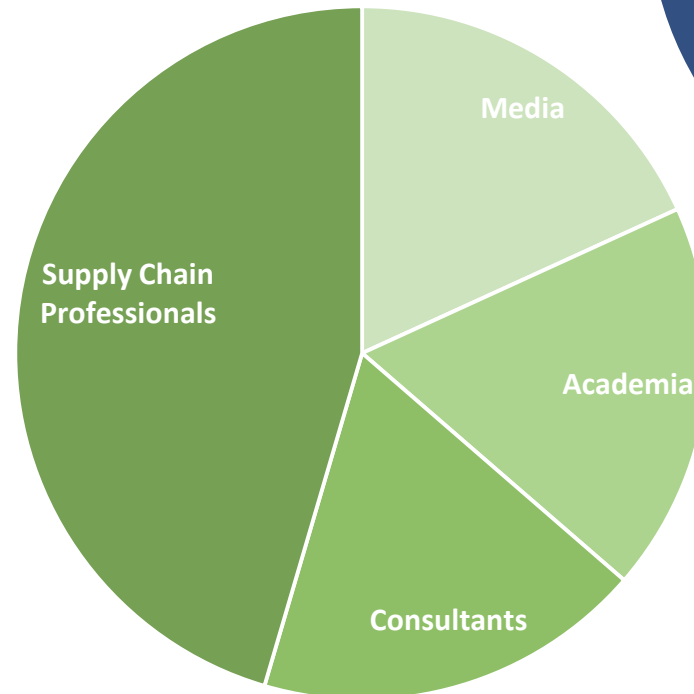

The annual conference also features an awards presentation for organizations, teams and individuals from industry and academia for excellence in advancing the discipline and applying the practice of supply chain resiliency.

2016 Conference Attendance

- 45% increase in attendees from 2015
 - Varied disciplines and levels
 - 100% conference recommendation from attendees
